Dear Parents and Students:

As the newly appointed principal of Nansemond River High School, it is my sincere pleasure and honor to serve this community. I look forward to working with the dedicated staff, administration and parents to provide the best possible educational experience for the students of Nansemond River High School.

Nansemond River High School has a rich tradition of fully preparing students to be successful academically and socially after high school. This is a direct result of the productive partnership between school and home to provide a diverse experience for students. I feel very fortunate to have been appointed principal at a school where it is evident the focus is on what is best for students.

Parents, teachers, support staff, community members and administration all play an important role in encouraging our students to become lifelong learners. It is my desire to provide opportunities for our students to acquire the skills necessary to become productive citizens in our community. Through a close partnership with Nansemond River High School's stakeholders, I am confident that we will continue to be successful. If I can assist you in any way, please feel free to contact me at shawngreen@spsk12.net.

Respectfully,

Shawn Green, Ed.D.
Principal
