

Suffolk Public Schools
AP Biology
Summer Assignment 2017

Nansemond River High School

Mrs. Ficklen (carolficklen@spsk12.net)

❖ **Carefully follow these steps to join the course online and receive access to the textbook:**

1. Visit "Access—Pearson School" (<http://goo.gl/FrMkFw>)
2. Enter first six letters of access code. (Access Code: SSNAST-THUNK-STEYR-DAYAN-POTTO-SPIES)
3. Click "Covered Tiles" → "Science" → Choose "Campbell Biology in Focus (Urry) 1e AP Edition Mastering Biology" → "Student Registration"
4. Continue to Mastering Biology (<http://goo.gl/6ZstkB>), log in, and enter MBFICKLEN81394 into Course ID to join the course. **Be sure to use your SPS student email account.**

❖ **Use the online textbook to study Chapters 40-43 (Ecology unit)**

1. **Read and outline each chapter. Create interactive study notes** for each chapter.
 - Within your outline, draw and label any processes (such as the carbon cycle, water cycle, etc.).
 - Complete the online assignments for each chapter on the textbook website.
 - You are advised to pace yourself over the summer with this assignment.
 - **DUE DATE: Tuesday, 9/4/17**
 - ***You will be assessed on this material after we return to school.***

~~~~~  
**ALSO:**
